## Education

- 2023 – ···· **Ph.D. Simon Fraser University** Nonequilibrium statistical physics  
Thesis focus: *Differential geometry of dissipation in mesoscopic systems*  
Supervisor: *Dr. David Sivak*
- 2020 – 2023 **B.Sc. University of British Columbia** Honours physics, minor in mathematics.  
Thesis: *Quantization of constrained Hamiltonian systems and negative energy densities in QFT*.  
Supervisor: *Dr. Daniel Vollick*  
Graduating average: 97.1%
- 2018 – 2020 **A.S. Okanagan College** Science  
Graduated with Distinction; Graduating average: 96.2%

## Workshops

- 2025 **Statistical Aspects of Nonlinear Physics Summer School**, Institut des Hautes Études Scientifiques
- 2022 **PSI Start Program**, Perimeter Institute

## Awards & Funding

### Fellowships & Scholarships

- 2025 – 2028  **NSERC CGS-D**, Simon Fraser University
- 2023  **NSERC CGS-M**, Simon Fraser University
-  **NSERC USRA**, Simon Fraser University
- 2022  **Irving K. Barber Undergraduate Research Award**, University of British Columbia
-  **James R. Conway Scholarship**, University of British Columbia
- 2021, 2022  **Deputy Vice-Chancellor Scholarship for Continuing Students**, University of British Columbia
- 2021  **Irving K. Barber Transfer Scholarship**, University of British Columbia

### Academic Prizes

- 2023  **Graduating Student Award in Physics**, University of British Columbia
- 2022  **Upper-Level Physics Award**, University of British Columbia
- 2021  **Second-Year Physics Award**, University of British Columbia
- 2020  **President's Award**, Okanagan College
-  **Associate of Science Award**, Okanagan College

### Travel Awards

- 2025, 2026  **Travel & Research Award**, Simon Fraser University

## Research Experience

- 2026  **Research Contractor**, Impossible Fibers (*Speculative Technologies*)  
Authored a technical report on protein-fiber computational devices, integrating a review of relevant literature with original modeling and analysis of transduction and physical reservoir computing.
- 2023  **Undergraduate Researcher**, Simon Fraser University (*NSERC USRA*)  
Supervisor: *Dr. David Sivak*
- 2022  **Undergraduate Researcher**, University of British Columbia (*Irving K. Barber URA*)  
Supervisor: *Dr. John Hopkinson*
- 2019 – 2020  **Microbiology Laboratory Assistant**, Okanagan College

## Teaching & Mentoring

---

- 2022 – 2023      **Academic Assistant**, University of British Columbia  
Rewrote the first-year physics laboratory manual; built Jupyter-based lab notebooks with guided exercises and data-analysis tutorials; designed student surveys for course evaluation.
- 2021 – 2024      **Teaching Assistant**, University of British Columbia, Simon Fraser University
- 2020 – 2023      **Math & Physics Tutor**, Self-employed
- 2020 – 2021      **Writing Consultant**, University of British Columbia
- 2020              **Biology Laboratory Assistant**, Okanagan College
- 2019 – 2020      **Physics Learning Assistant**, Okanagan College
- 2015              **English Tutor**, Kamloops Immigration Centre

## Service & Outreach

---

- 2024              **Conference Organizer**, Frontiers in Biophysics 2024
- 2022              **Volunteer Invigilator**, British Columbia Secondary School Mathematics Contest

## Volunteering & Other Employment

---

### Volunteering

- 2018 – 2022      **Farmhand**, Okanagan Fruit Tree Project Society (*Kelowna, BC*)
- 2017 – 2018      **Dog Walker**, BC SPCA (*Prince George, BC*)

### Other Employment

- 2019 – 2021      **Farmhand**, Lightfoot Farm (*Kelowna, BC*)
- 2018 – 2019      **Helicopter & Drill Pad Construction**, BCR (*Whitehorse, YT*)
- 2017 – 2018      **Bartender**, Alpine Pub & Grill (*Prince George, BC*)
- 2016 – 2017      **Line Cook**, Munin's Post (*Kelowna, BC*)
- 2016              **Dispatcher**, BC Wildfire (*Kamloops, BC*)
- 2015              **Regional Lead Landscaper**, Class Design (*Kamloops, BC*)
- 2014 – 2015      **Breakfast Cook**, Fireside Grill (*Kamloops, BC*)
- 2013              **Sous Chef**, Long John's Pub (*Vernon, BC*)
